To Whom it May Concern,

As a teacher and a Head of Foreign-Language Staff of the school, I have got a chance to work with many outstanding students and I am full of confidence to say that Oranat Tanprasertkul is one of the top among those. I have just taught her in M.6 but I have seen her and all her abilities since she started studying in an English Program in M.1. I can see her tremendous growth and development all the time and I strongly recommend her as a recipient of your university.

I am sure that Oranat Tanprasertkul will continue to succeed in her studies in any branches as she can do well not only in math and science but also in languages. She is a dedicated student and her grades have always been consistently exemplary. Moreover, her social skills are really impressive. She can manage her time efficiently and can work well with others; both as a leader or a member of a group. Her positive attitude and her flexible ability are one of her best performance too.

For all these reasons, I highly recommend Oranat Tanprasertkul to your university. I am sure that she is a worthy candidate. However, if you have any questions regarding her character or achievements, please feel free to contact me.

Thank you for the opportunity of correspondence,

Sincerely,

(Mr. Triet Sukasukont)
Head of Foreign-Language Staff
